She's a shy, little thing who just happens to have stupendous sweater-puppies.

"I never thought I would ever attract this much attention," 23-year-old Brit beauty Nicole breathlessly exclaims. "The idea of me being a nude model was something I never would have dreamed, not ever. I still can't believe it when I hold the magazines in my hands." And her fans, who have a tendency to hold the magazine in one hand, only, can't believe it either. Who can blame them? At 5'3", 126 pounds, Nicole's got what could be the absolute perfect hourglass figure.

Nicole Peters

It never ceases to amaze us how women like Nicole can be oblivious to their own beauty. "I tend to conceal my breasts with clothing when I go out," she reveals. "Actually, I'm a stay-at-home type of person and I don't go to clubs or pubs or run around like other models. I'm shy socially. I don't like a lot of attention." In fact, Nicole says making the video *On Location Costa Del Sol* (available from eBoobstore.com) was an eye-opening adventure for her. "There aren't too many girls with a chest like mine, so I enjoyed meeting the other models in Costa Del Sol," she says. "I really enjoyed talking to them and learning about their own experiences. This is all new to me, posing nude." Those other models included fellow *Super Naturals* Kerry Marie and Ines Cudna.

Here's an assignment for all of you who fancy yourselves connoisseurs of feminine beauty. Take a close look at Nicole. At all of Nicole, not just those mesmerizing tits. Notice anything unusual? Unlike many of her contemporaries, Nicole hasn't got a single piercing or tattoo. See, she really is just a sweet girl-next-door who happens to have super-human hooters. She's an accomplished artist, too, and you can see her work at her website, NicolePeters.com. You can also see a lot—and we mean a *whole* lot—more of Nicole there.

This 5'6", 142 pound blonde goddess could turn anyone into a "Pole" dancer!

You're not going to believe this, but Polish bombshell Ines (pronounced Eee-ness) is a virgin. Well, technically a virgin, anyway. No cock has ever explored the inside of her pussy. That's not to say nothing has ever been stuffed up there. While this 22-year-old student swears she's saving herself for marriage, she loves to masturbate and is extremely horny most of this time. Hence, she has learned to please herself with a variety of toys. And she's not adverse to a little lezzie action, either, as evidenced in her video, *Busty Euro Maids*. Check out a review of it on page 41, order it from the eBoobstore.com. You won't be disappointed!

**Ines
Cudna**

**40-26-36
34EE**

Ines also has a website, BustylinesCudna.com, and has been posing and posting on it since she was a remarkably stacked teenager. You can count on Ines posing for at least another year, as the money goes toward paying her college tuition bills. She plans on getting her degree in mechanical engineering in 2007. Until then, she'll be flaunting those impressive puppies. "We have a different attitude about nudity in Poland than you do in America," she tells us. "It's not a big deal to be naked and free. We are really not so hung up on that. My family knows I pose and they don't mind." They might mind, Ines, if they knew what we do when we look at your "naked and free" pictures and videos!

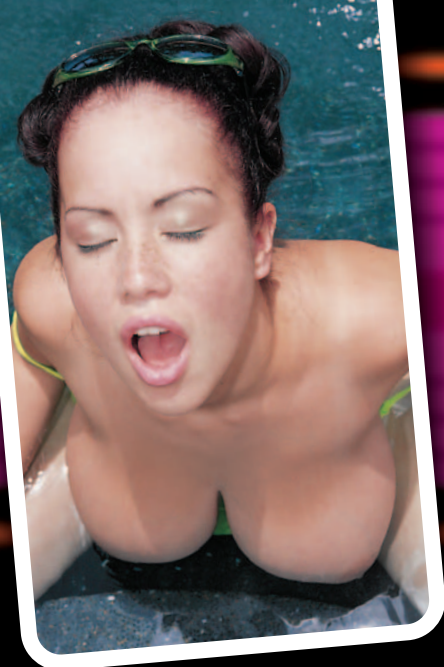

Here's more proof that the virginal Miss Cudna is a secret sex fiend who will rock the world of the first man to bang her. She already loves anal penetration, and often uses anal beads on herself while she's masturbating. Whatta gal! She's not the least bit shy about it, either. "I like to use toys in both my pussy and my ass," she explains. "I can feel the toys on my G-spot because the wall between my pussy and my anus is thin. I get the best orgasms that way." And she's learned that she loves masturbating for the camera, too. "I have an exhibitionistic streak," she says. "I like posing and playing with myself for pictures. I really like thinking men will look at me!" We really like it too, Ines!

This Texan wildcat thinks her best feature is her butt. Wrong, Sharday!

A knockout of Puerto Rican heritage, this 23-year-old says her ass, is "not big, but it ain't fat." Agreed. And it's a fine rump, indeed. But, no matter how splendid your seat is, Sharday, it can't help but pale when compared to your boobs! "Sometimes, I don't like my breasts," Sharday confesses. "When I go to the mall or the swimming pool, everyone stares at me. Sometimes, people make fun of me." Those assholes! But surely, Sharday, you get more compliments than teasing? "I guess," she continues with a giggle. "I think I know why guys like big breasts. It's kind of nasty! They like to put their thing in the middle!" Guilty as charged!

A full-page photograph of a woman with large breasts, smiling at the camera. She is wearing a bright green bikini top and has her sunglasses perched on her head. The background shows a tropical setting with palm trees and a blue sky with clouds.

Sharday is a very forthright girl! She told us her boobs weight about 8 pounds each, which accounts for a good portion of the 140 pounds her 5'4" frame carries around. She also told us that when she first started having sex, she refused to do it doggy style, but now, that's her favorite position. "Some guys don't even last a minute with me. I hate that!" she says. "Or, if after they come, they don't want to do anything else. I wouldn't stay with a guy like that. For me, sex is a huge part of any relationship. And if he can't satisfy me, I won't stay. If I haven't cum and they ask, I try to change the subject, but I've never, ever faked an orgasm."

Chloe's Sex-travaganza

So beautiful, so stacked, so horny!

Solo photos and videos of Chloe Vevrier were like a gift. Then, she added partners...
A true natural wonder, German-born Chloe Vevrier flaunted her 40-23-36 figure with an unparalleled flair, skyrocketing instantly to the highest stratosphere of big-bust modeling the moment she hit the scene. But the 34EE-cupper was not content to rest on her laurels, oh no! Her innate eroticism needed more, as did her fans, and Chloe found the satisfaction she needed by posing—and filming—with other big bust beauties. She also sexed some studs, who were overwhelmingly grateful to be in her presence, much less fuck her! Here, we've created for you a far-from-comprehensive collage of some of Chloe's most sensual moments with some of her partners.

Man or woman, one partner or two, Chloe took 'em all on and left 'em wearing a smile.

For one so naturally beautiful and chest-blessed, Chloe was supernaturally horny, and the proof lies in her many erotic encounters with a vast variety of partners. Chloe with supermodel Linsey Dawn McKenzie. With the legendary Traci Topps, Autumn Jade, Sarena Lee. With less famous beauties like Effie, Carrie, and Kathy. And with men, either on her own or with another woman. Chloe took on all takers with a sensuality and abundant enthusiasm that has seldom been matched. For a more intimate look at some of her raunchy scenes, treat yourself to a copy of *The Best of Chloe Vevrier*.

SWEAT

There's Something About Mary...

Part torture, part ecstasy, the Mary Dreams became a never-ending saga of pleasure that took place in his tortured mind every sleeping moment.

Story by K. Terrega • Art by Otis Sweat

In the end, it was always Mary's tits that I adored, of course. Thick and plump and so inviting, her succulent breasts were what started me down this slippery slope. They were the true origins of my fantasy. Perhaps fantasy is not the right word, perhaps obsession might be more apt.

Odd, for me to be enamored of Mary's breasts, having never been much of a tit man. Not much of an anything man, really, although I'll confess to a bit of a fondness for ripe, round breasts.

Odder still when you consider that I've known Mary for years, always as a friend. In all those years—all those late night conversations at the diner, all that commiserating over love and loss—not once did I ever notice anything but the sweetness of her nature, the easiness of her smile, the generosity of her laugh.

Well, that and her extraordinary beauty, of course. Few who frequented the diner could miss her engaging looks. Curly, reddish-brown hair cascades past her shoulders, framing a face that looks both impish and all-knowing at the same time. Personally, I had always been drawn to her eyes. Long-lashed and large, they sparkled green every time she smiled—it was what had endeared her to me early on.

Endless cups of coffee had, over the years, endeared the diner to me as well. A place whose era had long passed, it is remarkably old-fashioned, with revolving stools in front of the cracked counter. The mugs are chipped, the coffee thick, and the half and half, poured from little metal pitchers, warm and sinfully creamy.

It's the kind of place that can become a home away from home; here is where you eat good, plain food, drink scalding hot coffee and reflect on your life. Which is how I found myself that fateful evening, slumped and brooding over the state of the universe and the recent demise of my relationship.

Quite without warning, as I watched Mary pass me, coffeepot in hand, I had the thought that was to change my life.

Why, Mary has, quite simply, the most beautiful breasts of any woman I have ever known.

It wasn't the thought itself that was most surprising—after all, surely a man can notice such a thing. No, it was that I'd never noticed it before. For it was true, in my suddenly enlightened state, I saw that Mary's tits were quite obviously a work of supreme beauty.

Encased as they were in her pink waitress's uniform, I was amazed to see how gloriously they swelled under the flimsy fabric. Leading the way as Mary went about her work, they sat firm and proud atop her narrow waist, held unnaturally still by the constraints of bra and too-tight, but so appealing, bodice.

As if that weren't enough, I became suddenly aware of the beautiful expanse of flesh that was Mary's cleavage. A great crevasse, created by the twin globes that bulged erotically from the uniform and pressed deliciously together, seemed to pulse with every breath she took. One small, pink button was all that held the massive creatures at bay, another

already having succumbed and popped open, unable to contain such a bounty. The damp flesh revealed by this tragic occurrence was tinted pink from her uniform, giving her bosom a rosy glow that was highlighted by the tiny gold necklace she wore. A tiny slip of gold, it dangled precariously within the depths of her cleavage, threatening to plunge to its ecstatic death with every step she took.

A death, I realized suddenly, that I would be only too willing to endure, given half a chance.

For the truth was quite clear to me now: I wanted Mary. I needed Mary. And, were I allowed access to Mary and her glorious breasts, I would never need anyone else.

A miraculous discovery, I thought, amazed that this simple truth had managed to escape me for so many years. A truth that was, unfortunately, too much for my befuddled brain to grasp at that point. With something akin to panic, I realized that I was unable to declare my

intentions, preferring instead to skulk away to nurse my obsession in silence. And how did I manage to extricate myself from such a predicament? What with Mary's smiling but rather confused face and my own somewhat glazed and stunned expression? Along with a sudden and quite distinctive bulge in my pants? I honestly don't know. I must plead temporary insanity. All I do know is that even though I removed myself from her overwhelming presence, I was unfortunately not able to extricate myself from the dreams that began that night. The Mary Dreams, I would come to call them.

Part torture, part ecstasy, the Mary Dreams became a never-ending saga of pleasure that took place in my tortured mind every sleeping moment. Mary-Land, I came to call it, an incredibly full and voluptuous world of sweaty flesh and deep ravines and luscious curves. A world of sensual but completely unrelieved pleasure, one that, after the first time, I perversely looked forward

to returning to night after night.

Mary's fully nude body, a thing of radiant slow motion beauty, appears from the pink mist. I wait, breath held. As she approaches, a serene smile plays on her face. She is astoundingly bigger than life, bigger by far than I and her body is full and lush as she bounces dreamily toward me. Her gait is slow and fluid, as though the dream world is devoid of gravity, and she walks as though on the moon.

Her skin is slightly flushed, suffused with soft light and warm colors. Her magnificent chest is unhindered by the usual daily constraints; free and unfettered, her breasts hang heavy, swaying slightly with every slow-motion step she takes. I see that her nipples, large and sensuously thick, are pointing the way. As she moves closer to me, my eyes are drawn toward the deep cleft between her breasts where her tiny necklace hangs, dangling delicately between her breasts.

My breathing is ragged as she continues her slow and deliberate way toward me. Overwhelmed by the thickness that hangs in the air, excitement pounds uncomfortably in my chest. Her presence, as she finally stands before me, inches from my flushed face, is all-consuming. The very air that I breathe seems heavy with her essence. Stunned, unable to move, I can only stare in wonder.

Slowly, gratefully, my face is somehow drawn into the larger-than-life swell of Mary's luscious bosom. Down I go into the thick, soft, comfort of Mary's dream tits. And a warm and inviting place it is, all moist and soft, smelling faintly of sweat and perfume and coffee. Is it my imagination, or can I also smell sex? Mary's sex. My sex. Very, very raw sex.

Her ripe, pillowy melons now completely envelop my face, the pulsing flesh covering my eyes, my mouth, folding around to encompass my hair, my ears. I feel myself drowning in her embrace, being swallowed by her voluminous flesh. Warm and sweet and insistent, her breasts are devouring me. Even as I feel control slipping from my grasp, still I revel in the silky softness of her breasts.

I open my mouth as if to gasp for air, but instead I breathe in Mary's very essence. It is she who feeds me now, she who grants me life. My mouth opens

"He said he'd like to go out on a second date because he'd like to see what my face looks like."

The bodacious blond Brit made her debut in 2004 when she was still in her teens.

November 29, 1985, began as just another day in the northern England town of Liverpool. Not a soul knew that a momentous event had occurred—the birth of future big-bust superstar Kelly Kay. In fact, for the next 18 years, Kelly hid her bounteous assets under baggy clothes. But you can't hide tip-top tits like hers forever, and soon after her 18th birthday, *SCORE* magazine had Kelly in the studio, shooting the photos that would earn her the title Newcomer of the Year 2004.

**Kelly
Kay**

42-26-36

42F

Since her sensational debut, Kelly's made a career out of creating boners in big boob lovers worldwide. You can find a complete list of her magazine and video appearances at eBoobstore.com. Or, you can go directly to Kelly's own website, BustyKellyKay.com. As you can tell, Kelly's one busy girl. But, she tells us, she likes the attention. "I used to be embarrassed by the size of my tits," she confides. "Now, I love it when blokes look at them!" Including you!

Like most of the remarkable women featured in *Super Naturals*, Kelly's stats defy logic. She's 5'5" tall and weighs 125 pounds—a good portion of that in breast meat! And for such a lovely young lady, she has a more-than-healthy libido. "I like to have sex at least five or six times a week," she says. "Doggie-style is my favorite position, because it feels good and I think that blokes like the view!" Indeed, when confronted with Kelly's remarkable mams, it can be easy to overlook her ass, which is almost equally as impressive. "I like it when blokes play with my boobs, but I think that should only be one part of making love," Kelly continues. And we'd be happy to oblige her!

THE TOP TEN ALL-NATURAL TIT VIDEOS

Countdown to pop-off with these lusty big-busters

Sure, it's great to see big, organic boobs in the pages of magazines like this. But once you've gotten a taste of these titanic titters, it's impossible not to take the next step—stare at their huge hooters in live, video action. We've taken all the guess work out of it for you and listed the top 10, all-genuine sweater puppies movies. Order them on page 98, or at eBoobStore.com today!

#1 Marilyn Busts Out!

Ultra-slim. Ultra-stacked. Ultra-sexy. When the boob-hounds at SCORE magazine got their first glimpse of the Russian marvel named Marilyn Sakova, they were like kids in a candy store. They were astounded by her gravity-defying, mind-boggling, 40-25-36 measurements, which make her the closest thing that anybody's ever seen to a real, live, human Barbie doll.

But unlike that plastic plaything, Marilyn is anatomically correct, from her bounteous boobies with their three-inch areola, all the way down to her shaved snatch! In her video debut, this 21-year-old stunner proudly, justifiably, flaunts her gigantic G-cup

cupcakes. And that's not all. Marilyn happily juggles and jiggles her gigantic jugs right in your face, even sucking her own nipples all the way into her luscious mouth. But what makes *Marilyn Busts Out!* a cut above the rest is Marilyn's modeling, which is some of the most explicit solo-girl work we've ever seen. See, Marilyn only weighs 123 pounds, and about 20 pounds of that is tit-meat, so she's got a lot to work with, and work it she does. 120 minutes of mammary prodigy Marilyn—now, that's what we call time well spent.

#2 Nicole Peters

Where, we would like to know, did the stereotype of the sexually uptight English person come from? Because Nicole Peters was born in North Yorkshire, England, and while she has a reputation for being a little shy and demure, she is anything but uptight, as her explicit solo video amply reveals. Girl-

next-door Nicole was a struggling student looking for tuition money when she came to *SCORE*'s attention, asking us if she could make some extra money modeling for us. Could she! She's got the sweet face of your kid sister's best friend, but when she removes her bra to let her humongous 32J hangers free, your sister is the last thing you'll be thinking about. Watch her amazing transformation into a sexual fiend as Nicole lustfully violates herself with a sex toy, and you'll be forced to agree that she well deserves her number two ranking on this esteemed list.

#3 Alone with Kelly Kay

First of all, let's just laud *Alone with Kelly Kay* as great value for money. You get over two hours of action, and that's not counting DVD extras. Oh, and did we mention that Kelly was barely out of her teens when she made this video? Of course, if this video was merely long, it wouldn't be worth a damn farthing. But as it is, *Alone with Kelly Kay* is cheap at the price! Another breast-blessed Brit, the youthful, lusty, Liverpudlian Miss Kay clocks in at a curvy 42-26-36 and you get to see every inch in motion. In nine scorching scenes, Kelly works herself into a frenzy with tons of tit and dildo play. You even get backstage video and footage of Kelly posing with

her equally beautiful mum. That stunning footage is what earned *Alone with Kelly Kay* a top five finish in our best big tit video roundup.

#4 Desirae All the Way!

She was a young, naive girl from Tampa, Florida when Desirae walked into the *SCORE* studio. But she had something special that her photos, as great as they are, never conveyed. Here's what the director of *Desirae: All the Way!* had to say about this 43-28-39 brunette beauty: "Whether she is alone masturbating or with a man's cock, Desirae's face, which is so beautiful, shows her genuine inner passion. When she is in front of the camera, she changes into a panther. Her expressions have this pleading, needy, begging, yearning-for-sex look. This is a special kind of eroticism that the camera can pick up—it doesn't always with other girls. I have watched many adult videos from a large assortment of companies and many of the girls look like robots, like sex is a chore to finish off and then get paid. Desirae is a unique girl, demure yet not shy. Sexy but never in a slutty way, always wholesome. I call her the girl with the hungry eyes. She loves to fuck. It is always thrilling to see her fuck." Umm, yeah. We've been so thrilled to see her fuck that we're on our second copy of her DVD. You might want to order two right off the bat and save yourself the trouble and extra shipping fees!

#5 Ultimate Autumn

Sweet home Alabama, indeed. If the first thing that comes to mind when we say that is that Reese Witherspoon chick flick, you're gay. Why are you reading *Super Naturals*? If the first thing you think of is classic

Southern rock band Lynyrd Skynyrd, then you're not gay, but you've got a lot to learn, chief. But, if the first thing you think of is Autumn Jade, you are right on the money, my man! The hottest thing to come out of the South since Georgia asphalt in July, natural mammary mammoth Autumn's Mason-Dixon drawl sounds like butter wouldn't melt in her pretty mouth—until she's moaning and screaming and cumming. First, she reaches the Big O by diddling herself as she's dressed up like the world's horniest French maid. Next, she gets into some filthy lezzie lovin' with fellow *SCORE* and *Voluptuous* model Lilith, a bonus big-buster who sports a 38DD. Finally, Autumn gets a hardcore pussy pounding from a rent-a-cock. Yep, Autumn obviously likes to cum, and you'll like watching her do it.

#6 Busty Euro Maids

We all have jack-off fantasies that we know will never come true, but get us to cum nonetheless. *Busty Euro Maids* is just one of those fantasies put on tape

for your viewing—and jacking—pleasure. It stars four big-bust beauties; Marketa, Iva, Veronika and Ines Cudna, and will leave you panting at the sight of all the bountiful boobies on display. The story, for what it's worth, is that Marketa, Ivy and Veronika must compete to become a maid for the mysterious millionaire, Mr. Trousersnake. The incomparable Ines is already in his employ, and, dressed in a classic boner-inducing maid outfit, she leads each of the other women to their "job interview." Of course, said interviews all lead to insanely dirty sex. Veronika is first up, and she sets the bar high with some expert cock slurping and a rough doggie-style fucking that has her hangers swaying furiously as she gets pounded from behind. 19-year-old Iva services her potential boss and a pal in a poolside threesome that has her getting off from a double penetration of cock in her pussy and her ass. While Marketa starts her interview off with a blow job, Iva soon joins her and they double team Mr. Trousersnake while bringing each other to climax. Of course, the movie wouldn't be complete without seeing some action with the busty supermodel Ines. If you think seeing all four girls lick, fondle and plug each other with dildos—including some double-headed action—would be hot, you would be correct, sir. The action develops into a four-girl cluster fuck that has to be seen to be believed!

#7 The Diane Poppo Collection

This has to be the big boob bargain of the century. All four Diane Poppo

videos in one place! Remember Diane? She's the original busty housewife, and not only are these films collectors' items, they will get you to bust your nut for sure! You get *Diane Poppo's Leg, Foot and Smoking Video*, *Diane's Exercise & Swimming Video*, *My Ex-Wife Diane & Her 44HHH Tits*, and *The Best of Diane* in one convenient-for-jacking place!

Try a freaky flash of foot fetish in *Diane Poppo's Leg, Foot and Smoking Video*, in which she models lingerie and heels and urges you to jack. Especially boner-inducing is the scene in which Diane tries on her friends' much smaller bras in a futile attempt to contain her cantaloupes. In *Diane's Exercise and Swimming Video*, the top-heavy housefrau sucks, oils and flops her hefty hammers. *My Ex Wife Diane* treats us to a scene in which she gives a blow job and gets man-goo spewed all over her boobs as a reward. *The Best of Diane* gets totally kinky as Diane and her husband play with a banana and a cucumber in addition to fucking each other's brains out. Diane also appears in the bathtub, performs a lingerie show, and gets fucked in her cunt, between her tits, and in the ass. All told, you have the life work of a big-boobed amateur who became a legend. If you're familiar with Diane's incredible 34H titties, then this is the perfect film for you. If you aren't familiar with the Texan housewife, then this video is even more perfect for you. You'll get the whole Diane Poppo shebang in one hot shot.

#8 Linsey Dawn McKenzie: Maximum Insertion

This double disc extravaganza celebrates the woman

who herself has been dubbed "The Great One." Boasting a nearly perfect, 46-26-36 figure, Brit beauty Linsey Dawn McKenzie possesses a rare and raw sexuality that is hard to beat, but easy to beat off to. Disc #1 contains three solo scenes (one of which is Linsey getting wild with a fuck

machine—it has to be seen to be believed!), a girl/girl scene with beautiful blonde Ines Cudna, and a hardcore threesome with Czech big-boob babe Veronika and a stunt cock. Disc #2 has four classic Linsey solo videos, including the infamous one of her shaving her puss! If you still don't own a DVD player, here's the reason you've been waiting for to buy one—the DVD version of *Maximum Insertion* has almost 100 minutes of extras!

#9 Climax with Anna Song

Psssst! Want to see a pretty, fresh, young college student new to sexplicit modeling and eager to show the world her all-genuine 32FF funbags? Well, this is the only place you'll get to see our hot, exclusive newcomer, Anna Song. This enthusiastic first-timer gives you a sexy strip show, jiggles her big jugs, and plugs her tight, lubed joy-box with toys and vibrators. We discovered Anna while shooting Marilyn in Russia, and were happy to have another stacked 'n' Slavic beauty to fuel our wet dreams. Longtime SCORE fans know that Marilyn deservedly won that magazine's newcomer of the Year

continued on page 66

She is known in big-bust circles as, simply, The Great One. A no-brainer, huh?

Just 16 tender years after her August 7, 1978 birth, Linsey Dawn McKenzie began posing nude to much acclaim in her native England's newspapers. Yes, a girl may pose topless at 16 in old Blighty. On this side of the pond, we had to wait two whole extra years before we were afforded the exquisite pleasure of viewing one of the best bodies known to man in its stunning, astonishing, natural state. Was it worth the wait? Take a look right here. What do you think?

Linsey Dawn McKenzie

36-24-36

36HH

Linsey debuted stateside in the best-selling December 1996 issue of *SCORE*. Her complete list of magazine and video appearances can be found at her website, LinseysWorld.com, or at Scoreland.com. In just a decade, she's become legend to big-bust mavens who know every inch of her 5'4" frame by heart and hard-on. We have literally watched Linsey grow and blossom as a woman, and long-time fans will testify that the green-eyed, gazonga goddess just keeps getting sexier with each passing year. Her videos don't just showcase her traffic-stopping curves and cleavage, but her raw sexuality and cheeky personality.

In 2004, Linsey won *SCORE* magazine's Model of the Year award (her many, many back issues can be ordered at eBoobstore.com), and plenty of her admirers cried, "It's about time!" In 2005, she earned fourth place in that same competition, and, at the still-young age of 28, the buzz is already brewing about her spot in the Hall of Fame! Such is the mesmerizing hold Linsey has over her legion of fans. In England, she's even more rabidly loved, and her every move is documented by the tabloid press. If you really want some inside information about Linsey, here are a few facts. Her favorite color is black, she drinks brandy and Coke and she loves a Big Mac and fries. Sounds like a great date to us!

For the last decade-plus, we've been drooling and jacking over Linsey, and we hope to continue our degenerate admiration of her perfect curves for years to cum. We've watched her go from topless to complete hardcore, and no matter what the future holds for Miss Linsey Dawn McKenzie, she's already more than earned her place in humongous hooter history. The Great One, indeed. Thank you, Linsey, for all the amazing mammeries.

There are ass men and there are leg men and we can agree it's all good. But, seriously, is there anything better than boobs? Especially healthy, heavy, hanging hooters swaying below the pretty face of a naturally-graced girl. Here are some of the sexiest swayers we've ever seen, starting with Sharday (opposite), who is so fuckable she has her own complete pictorial in this magazine. Not to take anything away from Toni, Annie or Annette (clockwise from above). There just wasn't enough room in *Super Naturals* for all of them!

They call her the "Alabama Slamma" down in Huntsville, and now you know why.

She's a teeny 5'2" ("5'7" in heels! she pipes up,) who weights 124 pounds soaking wet, but this petite, busty beauty is a legend south of the Mason-Dixon line. "My first job was in a chicken plant," Autumn purrs in her Southern drawl. "I was 18, and a girlfriend of mine told me I could make money just by dancing in a bikini. We both went to the club in Huntsville and they said we could both work. I quit my job that week!" And she's been dancing ever since.

"And I like all the attention, from men and women, too. Women say things like, 'Wow, you're so skinny with big boobs.' It makes me feel good." Autumn also feels real good doing all sorts of dirty things on film. Check out her XXX performance in *Ultimate Autumn* (order it on page 99.). She's got an orgasmic enthusiasm seldom seen in porn. award for 2005. Could 2006 be Anna's year? Anna is so new, she's only made a handful of magazine appearances (including her debut in the March '06 edition of *SCORE*, available from eBoobstore.com), and this one video, so we recommend you get in on the ground floor of this soon-to-be-legendary big bust hottie. You won't regret a minute spent climaxing with Anna!

#10 Young & Stacked Ines Cudna

We like to joke around that 20-year-old blue-eyed blonde Ines Cudna is Poland's biggest national treasure. Then, we realize that's no joke, she really is. She's also 5'6", 140 pounds and wears a 34EE bra on her 40-26-36 bod.

Ines is studying for a degree in mechanical engineering, which means that she's brainy as well as beautiful. As far as we're concerned, a smart girl is nice, but a smart girl with world-class casabas can't be beat. She puts her physical attributes to good use in her solo video. One more thing Ines has going for her—she's a little shy in person, but she's remarkably highly sexed. On the DVD, Ines spends a lot of time playing with her pussy lips, an activity that obviously gives her a lot of pleasure. And she takes joy—great, screaming, orgasmic joy—in using vibrators and dildos, often employing one in her snatch and one in her anus at the same time. Hmmmm, let's think about this...a pretty, big-boobed girl sticking stuff up her butt? Sounds like some seriously must-see stuff to us.

You may have noticed that many of the beautiful women featured in *Super Naturals* have "day jobs" to supplement their modeling gigs. 27-year-old Kerry Marie is no exception. Believe it or not, this British beauty was once a dental nurse in Portsmouth, England, not too far from her hometown of Gosport. No kidding, she's a hot dental assistant. Yes, we're aware what a cliché that is, but in Kerry's case, it's true. So, swish and rinse, fellas, as you get a gander at Kerry Marie!

Kerry's also been a barmaid, factory worker and a sales clerk. She tried to join the Military Police in the English Army, but at 5' 4", she missed the height requirement by one inch. "They asked me if I'd like to join another branch, but I had my heart set on being an M.P.," she recalls. "I was really quite disappointed at the time!" But the military's loss was our gain. We also have the legendary Linsey Dawn McKenzie to thank for bringing Kerry to our attention. "I was working at a venue in London when Linsey came in and told me about *SCORE*," Kerry tells us. Thanks, Linsey!

wider, seeking more of her. Quite suddenly, I can feel her breasts on my tongue, my teeth, my lips. Quite suddenly, I am tasting her for the very first time, and I am wallowing in her flavor. I begin to suck greedily on her massive breasts, desperate to consume every inch of her. I lick the downy flesh of her tits, tasting more sweat, more sex. I feel an enormous nipple, the size of my thumb, slip seductively across my face and I grasp hold of it, pulling it deep into my mouth. It slides deliciously around my probing tongue, which I insert deep into the rough dimple at the end. Licking wildly at her dinner-plate size areolae, I try to take as much of Mary into my mouth as possible.

And then, as often happens in dreams, the next sensation comes without warning, without rhyme or reason.

Her breasts are now all I know. They've grown even larger, and her mammoth tits cover every inch of me. I am warmed by her abundant skin and my painfully swollen dick is straining against the fleshy expanse of her boobs. I struggle to bury myself deeper into

her embrace as she strokes every bit of me with her spongy hooters. Her scent is thick in the air and I feel completely overpowered by the sheer massiveness of Mary's breasts. Overwhelmed, overpowered, overjoyed.

For it's here, with the simple clarity of the dream world, that the truth comes to me. It is the only truth I'll ever need. Quite simply, it's that only in Mary's tits will I ever find happiness.

It's at that precise moment, as I lay wrapped in Mary's succulent boobs, experiencing true bliss, that my dream world comes to an abrupt end. Here is where I find myself suddenly back in my bedroom, cock throbbing, balls aching. Wishing desperately for Mary and her beautiful tits, having to make do with only the memory of her that still hangs, almost palpably, in the air.

It's a painful thing, the Mary Dream. Painfully pleasurable. Pleasurably painful. Agonizingly unattainable.

After the first of the Mary Dreams, I begin to avoid the diner, unsure how to hide my obsession, my desperation. Surely Mary, she of the easy laugh and the piercing eyes, will see through to my most base natures, see that I crave her in a way that is beginning to seem depraved. Far better that I suffer alone,

keep my hollow eyes and my haggard demeanor to myself as my nights become more sleepless, more tortured.

I begin to walk the streets at night, trying to avoid sleep, avoid falling into the deep pit that is Mary Land. I can overcome my painful needs, my sick desires. But it is hopeless, the pull of the dream becomes stronger than my feeble will power. I know that I need to make my weary way back to her, confess my obsession. Only then will I be free. Only then, if I am granted Mary's absolution, will I be able to regain my dreamless life, my sanity.

It's near closing time as I enter the diner. Busy with her last customer, Mary doesn't see me as I slide myself onto my usual stool. She looks exactly the same. Radiant, full, pink with the light and her uniform, the small gold pendant still dangling in her large—but not dream size—bosom.

Concern crosses her face as she sees the last customer to the door, locking it behind him. Concern that only increases as she comes near, her green eyes taking in the stubble on my cheeks, the gauntness of my face. I am helpless before her and without a thought for the consequences, I begin my confession. She listens intently to the tawdry

details—my awakening, my obsession, my surreal dream-life and her part in it. I can't bear to look in her eyes until all of my secrets have been revealed, all my sins confessed.

Expecting what? Derision? Disdain?

Her expression holds none of those feelings and I am confused. What is she thinking as she stares so intently into my face? Her peculiar lack of expression has left me trembling before her, disoriented and cursing myself for intruding on her in this way. I want nothing more then to leave, leave Mary, and slink out of her life and back into the depravity that is my desire.

I am stopped in this endeavor by the sudden and blissful presence of Mary's mouth on mine, her lips soft and full. I feel my breath quicken in glorious relief that turns almost instantly into desire as Mary's lips part, opening to me. My tongue tentatively explores the outer corner of her lips, her teeth, her tongue, becoming bolder with each passing second. I reach gently for Mary's face, still breathless at my incredible fortune. I stroke my fingers down her creamy cheeks and finally to the long expanse of her pink-tinged neck.

My hands, still trembling, slip delicately over her collarbone, across the starched collar of her uniform, further down to the thick swell of her bosom. I caress the thin, pink material that so tightly encases them, exploring their fullness, their incredible weight. As my fingers pass over the buttons of her uniform, one of them pops suddenly free and I gratefully slide my hand underneath the flimsy material, onto the more substantial fabric of her bra.

I undo another button and then yet another, until I can finally cup her glorious, bra-shackled tits in my hand. Cradled as they are in the thick, white fabric, her breasts swell upward and outward, heavy and well contained in my palms. I savor their firm feel before sliding her uniform off of one shoulder, then the other. Kissing the exposed skin, I slip the strap of her bra down.

Suddenly, they are free and in my hands, the weight of her enormous breasts thrilling me with their touch. Pale, brown areolae surround fat nipples. I lift one to my mouth and begin to suck on Mary's engorged nub, drawing a sigh from her throat. With the other hand, I knead Mary's other breast, feeling its fleshy fullness under my fingers,

I pull on her nipples, rolling them over, one in my mouth, one between my fingers, until we both groan.

Mary's head is thrown back and I kiss her throat, her shoulders, down to the voluminous tits. Mary kneads her doughy mounds as I press forward, basking in the malleable flesh that envelopes my face. And then, suddenly, it's only my hands on her breasts, pressing them against my tongue. And it's Mary's hands at my belt, fumbling to free my rigid member.

The feel of her fingers on my cock makes me gasp and I suck harder at her rapidly growing nipples. Her hands are cool and smooth as they expertly stroke my burning rod. My balls immediately respond to her gentle touch, growing thick and hard in her relentless grasp. Her hands, warmer now, begin to stroke me. I find myself groaning into her breasts, losing myself in her touch, her flesh, her sex.

But, suddenly, Mary has withdrawn her bounteous flesh from my face and I am moaning from the loss. Then, I see that she has dropped to her knees and it's my hard cock that is now enveloped by Mary's pliant flesh. The sensitive skin of my shaft is being caressed by the folds of her thick breasts and it's better, by far, than anything I've been dreaming about in Mary Land. My cock has been swallowed up by her substantial mams, it's being massaged and kneaded and stroked all at once. The pleasure is nearly unbearable. I find myself groaning as she squeezes her mountainous boobs together, pressing even more firmly against the sensitive parts of my dick.

She raises her globes higher and my cock head disappears into the fat mounds of her breasts. I begin to thrust, slowly, at first, as Mary matches my movements, her hands positioning my dick in her fluffy folds. I slide easily through the warm embrace of her tit-flesh, my cock head more swollen each time it makes it's appearance through her pale flesh.

Mary smiles as my engorged member slides between her boobs, and I see that her face is flushed pink with passion. She massages her great bosom even more firmly around my rapidly moving cock and lowers her mouth to the tip. With my next upstroke, I feel the shock of her wet tongue on my head and I groan. Her mouth is open

wide and with each stroke, my dick enters her warm and wet cavern. My shaft slides effortlessly through her tit-flesh, only to meet with her sensuous lips, her tongue lapping at the tip.

As though Mary's amazing tits and her wet mouth weren't enough, I feel her fingers on my swollen balls. Delicately, she manipulates them in her palm, cupping them with sensitive, sweet, supple fingers.

It occurs to me, dimly, that I must be in heaven. I realize that at this very moment, I am experiencing complete happiness, that there has never been and will never be a more perfect moment in time. And it's as I come to this glorious conclusion—that only in Mary's tits lies total happiness, total peace—that I feel the first stirring in my swollen balls.

Buried deep in Mary's abundant titty flesh, I feel the sensations begin in my groin. Feverishly, I increase my pace, stroking faster through her generous mounds. Her tongue laps at my slithering head with increasing desperateness as it slides through her sweetly slippery flesh. My balls being to contract as her fingers work their magic and I feel the first lashings of cum, my cock swelling in pleasure. Almost in slow motion, I feel the cum begin its journey up my penis, towards its final, ultimate destination—Mary's creamy breasts.

As in my dream world, time seems to slow down and it feels as though my cum spends an eternity spewing itself onto Mary's heaving breasts. I think I cry out her name as my vision fades and all sounds recede.

The end? Hardly. Lest you think this is all about my satisfaction, lest you think me selfish in my obsession, let me assure you that I did, indeed, reciprocate. After experiencing the bounty of Mary's breasts, after being given the glorious gift of fucking her incredible tits, I did not simply take my pleasure and run. No, I spent the rest of that evening—and many amazing evenings since—enjoying Mary's other pleasures. My tongue had been deep in the silken folds of her snatch, my fingers have been busy on her sensitive, cum-soaked nipples, my cock has been buried deep in the warmest recess of her cunt.

Mary-Land has turned out to be not only the perfect place to visit, but also the most perfect place to live. **SN**

A statuesque stunner who lives in Florida and loves to tippie Sex on the Beach.

25-year-old Desirae may well be the perfect woman. Aside from the obvious (umm, that would be her tits!), she loves football (Tampa Bay Bucs), cheesecake, drinking Sex on the Beach cocktails, and demi-cup bras that show off as much cleavage as possible in public! And, to make her even more special, Desirae approached us, offering her modeling services. You have no idea how rare that is. We have gone so far as to beg some models to pose. But not Desirae. "I met a guy on the Internet who told me about you guys, so I sent you an email," Desirae explains. "The next day, you emailed me back." Well, duh!

Desirae

43-28-39

36F

Desirae's been busy ever since, posing for her website, DesiraesWorld.com, and making videos (available through her website and at eBoobstore.com). "I just like sex," she sighs. "I like it a little freaky, too! I mean, I like light S&M. I like to be tied down, but not hard. I like to be restrained. And if I'm on top, I'll do stuff like suck on my own nipples." Like we said, this is one special girl!

Busty Brit. Invasion

**The
British
are
Cumming!**

We'll admit it, it's tough to beat a pair of corn-fed and milk-bred, humongous American breasts. And ever since the fall of the Berlin Wall, we've been inundated with incredible Eastern European tits of titanic proportions. Don't get us wrong, we're grateful for any and all beautiful bosoms. But we remember a time when the best boobs you could see came from Great Britain, and we appreciate that to this day. As a tribute to those magnificent mams from old Blighty, we've assembled a collection of some of the finest British boobies ever born. Londoner Jeannine Oldfield appeared stateside in *SCORE* Oct. '93 and Sept. '01; Jenny is the star of the video *Black & Stacked*, and Carol Brown was a fan favorite in plenty of issues of *Voluptuous* magazine, including Feb. '96 and Oct. '00. Many of these issues and videos can be ordered at eBoobstore.com, or by calling (305) 662-5959. Go on, see what you've been missing!

Susie Wilden
44-30-40

London-born blonde, Susie Wilden is a triple threat—she's appeared in *SCORE*, *Voluptuous* and *XL Girls* magazines, as well as her own XXX video, *Ultimate Susie Wilden*. We recommend you stock up on sexy Susie stuff, especially since if you're looking for magazines and videos featuring Stacey Owen and Selina, the pickings are slim! The most Stacey sightings can be found on scoreland.com; she apparently retired from modeling after only a few magazine appearances; of slim 'n' stacked Selina, there are even less. She posed for *SCORE*'s Holiday '01 issue, and then disappeared.

Linsey Ward

Karen Partington
40-26-36

Linsey Ward is called "The Other Linsey" to distinguish her from her legendary countrywoman, Linsey Dawn McKenzie, but one look tells you Miss Ward deserved every one of her five appearances in *Voluptuous* between '01 and '04. Karen Partington was a naughty "Page 3" girl in the '90s; and Fiona Steels made a splash in *V-mag* between '00 and '04. Not that it matters how long these Brits keep on posing—just so long as bounteous birds from the UK keep flocking to us!

We scoured the world to find our newest slim 'n' stacked, all-natural discovery.

Barely 21 years old, Russian wonder Merilyn Sakova was (still is, actually!) a clerk in a clothing store in her motherland. The economy being what it is over there, she jumped at the chance to make some extra rubles posing for us. And, as it turns out, this 5'5", 124-pounder is as natural in front of the camera as her tits! With no experience and only a little encouragement, Merilyn immediately started turning out sexy poses and had no inhibitions or hang-ups from the get-go.

The debate has already begun as to whether Marilyn is the greatest big-bust model ever. Flame wars have even erupted in her honor. Of course, fans are flocking to her new website, BustyMarilyn.com. Her debut magazine pictorial in the September '05 edition of *SCORE* is a collectors' item, and all her magazine appearances are fast sellers at eBoobstore.com. But it's her first-and only-video, *Marilyn Busts Out!*, that has corks popping all over the planet!

We're going to be keeping a close eye on Marilyn in the years to cum, and we suggest you do the same! Shortly after she posed for her first photo session, she told us that she couldn't wait to take it up a notch. That notch was her solo video. Now, Marilyn is teasing us by hinting that she's thinking of taking her modeling career further. The next step, naturally, is a girl/girl scene. Can you imagine her with Linsey Dawn McKenzie, or Desirae? And what about after that? Hardcore with Marilyn taking it doggy style so that her 32G hangers sway beneath her slim waist? You'll have to excuse us for a minute—the possibilities are too much for us to handle in company!
